Go to www.farmington.k12.mn.us for more information.

ATTENDANCE

Parents need to fill out an *Absence Waiver Form* when they are going to be absent for any length of time for vacations.

Guidelines for keeping a child home due to illness include:

- When a child has a fever of 100 or more, a child should stay home for 24 hours after the temperature returns to normal (without needing medication to keep the temperature down).
- When a child has vomited or had diarrhea, a child should stay home until 24 hours after the last episode.
- When a child has any rash that may be disease-related or you do not know the cause, check with your family physician before sending your child to school.
- When your child is not running a fever, but is having excessive secretions, continual coughing or excessively tired it may also be good to keep him/her at home. Extra sleep, fluids, and medication can be effective in resolving these symptoms and preventing a relapse.

Please have an “emergency plan” for the care of your child should he/she need to be home due to illness and someone available to pick up your child from school and care for them should they become ill at school.

If you have any questions, you may call the district nurse, Sayra Maberry, 651-460-1965.

Attendance is an important part of your child’s education. Therefore, our school has adopted the following procedure:

- Each time your child will be absent or tardy, you are required to call 651-463-???? before 9:00a.m. If the administrative assistant does not answer, please leave a message giving your child’s name, grade and reason for the absence. Failure to do so will result in an automated message that your child is not in school. This is to ensure your child’s safety. If you do not call the school back within that day, the absence will be recorded as **UNVERIFIED**.
- Three (3) unexcused/unverified absences will result in a letter of concern from the school.
- Five (5) unexcused/unverified absences will result in a letter or warning. This letter will be accompanied by a phone call requesting a meeting with school personnel. (If parent/guardian fails to meet with the school, it will be documented as such).
- Seven (7) unexcused/unverified absences will result in the school reporting to Dakota County Child Protection Services {MN Statute 120A.22} truancy/educational neglect.

Along with absenteeism, tardiness is a serious concern. Therefore, please note that **four (4) tardies will equal one (1) unexcused absence.**

Copies of all attendance letters will be placed in the child's cumulative folder. If your child expresses reluctance about going to school, or complains of illness simply to stay home, please contact us. We want to work with you to make school a positive experience for you and your child. Our nurse and/or counselor may be able to help you with concerns of this type.

BEHAVIOR EXPECTATIONS

It is the general policy of the school district to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student conduct. The specific form of discipline chosen in a particular case is solely within the discretion of the school district. At a minimum, violation of school district rules, regulations, policies or procedures will result in discussion of the violation and a verbal warning. The school district shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by the school district. The District will adhere to the [Administrative Guidelines for Disciplinary Action](#). Disciplinary action may include, but is not limited to one or more of the following:

✓	Student conference with teacher, principal, counselor or other school district personnel, and verbal warning
✓	Parent/guardian contact
✓	Parent/guardian conference
✓	Removal from class
✓	Restorative Practice
✓	In-school suspension
✓	Loss of school privileges
✓	Modified school programs
✓	Referral to in-school support services
✓	Referral to community resources or outside agency services
✓	Financial restitution
✓	Out-of-school suspension under the Pupil Fair Dismissal Act
✓	Preparation of an admission or readmission plan
✓	Other disciplinary action as deemed appropriate by the school district

See Minnesota Pupil Fair Dismissal Act at the link below:

BREAKFAST AND LUNCH

With the passage of the MN Free School Meals Program, each enrolled student will be able to receive one free eligible breakfast and one free eligible lunch each academic school day. Second meals, second entrees, milk and A la Carte items may still be purchased as long as the student has either funds in their account or has cash on hand at the time of purchase.

Applications for free and reduced price meals should still be completed in order to determine eligibility for other programs throughout the district. Applications can be found online, https://www.farmington.k12.mn.us/services/educational_benefits, in the main office of your school or at the food service office located at 510 Walnut Street. All completed forms should be returned to the food service office at the Walnut Street location.

Menu information and pricing can be found at https://www.farmington.k12.mn.us/services/food_services_chartwells

Every student has their own PIN number. Each child keys the PIN number into the computer at lunchtime. Teachers will have a record of student's pin numbers if they do not have them memorized. Every time the student makes a purchase, the PIN number is keyed in and the appropriate amount is deducted from each family's Food Service Account. Students participating in the Breakfast Program will use this same PIN number.

BUS SAFETY AND DISCIPLINE

Providing learners a safe and pleasant bus ride is a priority in the Farmington Area School District. Every passenger on a school bus has a part in keeping the school bus safe. Please review the [Bus Safety Handout](#) which includes the school bus discipline plan with your child(ren) and let them know that you expect them to do their part to follow the rules and help keep their bus safe.

If you have any questions regarding transportation, please contact Marschall Lines at 651-463-8689.

CARES

Riverview Elementary utilizes the acronym C.A.R.E.S to help communicate behavioral expectations for students, staff, visitors, and guests. We believe that when we show COOPERATION, ASSERTIVENESS, RESPONSIBILITY, EMPATHY, and SELF-CONTROL, we make Riverview a safe and fun place to learn. These CARES values are specifically taught to our learners and we celebrate them when they exhibit these behaviors in the classroom, on the bus, in the cafeteria, on the playground, and in other settings around our school.

CELLULAR PHONES

In order to maintain focus on the educational process, **we require that cell phones stay inside your child's backpack and be turned off/ silenced throughout the duration of the school day.**

We understand that families may need to communicate with their child throughout the day, however, families need to communicate through the main office to deliver important messages.

CONFERENCES

Parent-teacher conferences take place twice during the school year. Information regarding conferences will be communicated to families prior to both the fall and spring conferences. Parents will have an opportunity to sign up for conferences on-line. If internet access is not available you can make an appointment by calling the school office.

DRESS AND LOST AND FOUND

Students should be dressed in clean clothes, appropriate for school. This will help a child develop a positive self-image toward learning. Proper attention to appearance can also improve personal expectations for behavior and performance. Students are not allowed to wear hats in the school building. Any clothing that causes a disruption with the learning process is not allowed. Such dress may include, but is not limited to clothing with suggestive messages, representations that are inappropriate or demeaning to any groups and clothing that is suggestive or provides inadequate covering.

Boots, coats, hats, mittens, sweaters, lunch boxes etc. make up the bulk of the items that end up in the "Lost and Found" each year. Please mark these items. The lost and found is located near the office and may be checked at any time by students and parents. Any items that are not claimed are donated to charity.

EMERGENCY CLOSING OF SCHOOL

In the event of an emergency school closing, these procedures will be followed:

- The district will try to make decisions to close by 6 a.m.
- Messages will be sent out using our school messaging system. Please make sure your contact information is always up to date.
- One emergency school closing line (952-985-1100) is in operation with a recorded message for parents and employees regarding school-closing information.
- As parents, you have the final decision as to whether or not to send your child to school in times of inclement weather. If you do not feel it is safe, please feel free to keep your children home and report their absence to their school in the usual manner.

An EMERGENCY RELEASE FORM with more information is included in the Fall Information Packet. It is very important that this form is filled out and returned to school promptly. It is important for you to make your own arrangements for supervision of your children when they are sent home early because of an emergency school closing.

FIELD TRIPS

Occasionally your child's teacher will extend classroom instruction and concepts through a field trip experience. The teacher will provide rationale for the trip and request that permission slips be signed by the parent/guardian.

Several times during the school year a classroom may take walking or local field trips within our school district. A **"blanket permission form"** will be sent home to cover these local excursions. No student will be allowed to participate without written permission.

FLEXIBLE LEARNING DAYS/E-LEARNING DAYS

The term "flexible learning day" refers to a school day when instead of coming to a school building teachers and students communicate online using Schoology or SeeSaw, our digital communication platforms. Teachers share assignments and are available online. Flexible learning days may be planned in advance or held in the event of unplanned school closures due to situations such as severe weather or a power outage.

FOOD ALLERGIES/MEDICAL CONDITIONS

Federal Regulations require participating schools to make substitutions for students with food allergies and/or medical conditions. **A medical statement from the child's doctor must be on file in the Food Service Office.** If you have any questions regarding this, please call the Food Service Office at 651-460-3820. Because of allergies and medical conditions, we are asking that no food treats will be brought into classrooms. Thank you!

Injury/Illness: If your child becomes ill or is injured at school, first aid will be administered. A parent/guardian will be contacted as needed. 911 will be called if necessary and the student will be transported to the nearest medical facility or the facility you indicate on the emergency form.

Immunizations: Please send in the dates of any immunizations that your child receives throughout the year to the health office. Students in grades K-4 should have received 3 doses of Hepatitis B immunizations.

Questions: Please contact Sayra Mayberry, Licensed School Nurse, 651-460-1965 or the building nurse. If you have any questions re: the information above, or if you wish to discuss your child's health.

****Contact the bus garage before the first day of school with any major health concerns regarding your child (e.g. seizures, diabetes, bee sting allergy, asthma, etc.) It is the parents'/guardians' responsibility to notify the bus garage.**

iPADS

Farmington School District is a one to one iPad district. All Students (K-5) will take their iPad home daily. The iPads are used to support curriculum and offer a personalized learning

opportunity for students. These are to be used as a learning tool in and out of school. Please refer to the [ISD 192 Acceptable Use Policy/iPad Loan Agreement](#) for further guidance and information for at home use.

MEDICATIONS

Please read over your EMERGENCY INFORMATION FORM, specific to your child and make any needed corrections. This form is **extremely important** and needs to be returned **immediately**. We need to have current information on how to reach you if your child becomes ill or injured. **If there are any changes that occur during the school year please call the health office/nurse.**

MEDICATIONS AT SCHOOL: Please note due to recent policy changes.

If medications are to be given at school the following procedure must be followed:

1. A parent/guardian must complete the parent authorization form. Forms are available from the health office or on the [district Web site: http://www.farmington.k12.mn.us](http://www.farmington.k12.mn.us). Click on District Information, Click on Health Services Information
2. We must receive a doctor's order to give the medication. (This can be faxed to 651-460-1610 if that is helpful.)
3. An adult must bring medication to school for safety reasons.
4. Prescription medication must be in the original bottle that is labeled with the correct name, medication dose and time it is to be given.
5. We need written parent permission to give over the counter medications for up to 3 times. After the third dose, we will require a doctor's order to continue giving the medication.
6. Over the counter medications need to be brought to school in the original container. **No "baggies" of medication will be accepted.**
7. Medications need to be kept in the nurse's office unless arrangements have been made with the Licensed School Nurse.
8. If a medication needs to be given 3 times a day we encourage you to give it to your child in the morning, after school, and in the evening rather than sending it to school.

PARENTS/VISITORS TO OUR SCHOOL

For the safety of all our children, all visitors and parents are required to use the main entrance door during regular school hours and check in at the office/reception desk. If you are picking your child up from school, please park in the visitor parking lot/area and meet your child in the office area/atrium, and sign them out on the sheet provided if your child is leaving before the end of the day.

For the safety of all of our students, parents are not allowed to drive/park in the bus corral or playground area during school hours. Principals have the authority and responsibility of determining who is allowed in the school building during regular school hours. All approved visitors and volunteers are required to wear a visitor's badge with their name to ensure the safety of all students and staff. Students from other schools are not allowed in the school building during regular school hours except when part of an approved program. Thank you for your cooperation.

PLEDGE OF ALLEGIANCE

The school board recognizes the need to provide instruction in the proper etiquette, display, and respect of the United States flag. Learners in this school district shall recite the pledge of allegiance to the flag of the United States of America one or more times each week. Any learner or teacher may decline to participate in recitation of the pledge of allegiance to the flag. Learners must respect the choice of others not to recite the pledge.

TRANSPORTATION

Anyone who has moved within the school boundaries should contact the school and fill out new transportation forms.

PLEASE CONTACT THE SCHOOL OFFICE IF YOU MOVE FROM OUR DISTRICT AND CONTINUE TO TRANSPORT YOUR CHILD TO OUR SCHOOL. Necessary forms are available in the school office.

ALSO, anyone being transported to or from somewhere other than their home address (i.e. Day Care) should fill out a new transportation form each year, regardless if they were transported from that address the previous year. We need to start fresh each year. If no form is turned in, the Bus Company will assume that your child will be transported to and from home.

Any changes in transportation arrangements during the year need to be reported to the school office in advance. A new transportation form needs to be filled out by the parent/guardian. Bus routes and schedules, and the Bus Discipline Policy are included in the fall packet.

If it is necessary for your child to ride a different bus or if you are picking your child up from school, you need to send a note to your child's teacher and bus driver. Students are not allowed to ride different buses without a note from their parents. Parents are not allowed to drive in the bus corral.
