Library Media Center - Weeding

Weeding is the removal of materials from the library collection in a systematic, deliberate way. It is an ongoing part of collection development, a planned and thoughtful action that will ensure library materials are current, relevant, and enticing.

The Port Townsend School District will weed library materials according to the following criteria:

MUSTIE:

M = Misleading or factually inaccurate
U = Ugly (worn beyond mending or rebinding)
S = Superseded by a new edition or by a much better book on the subject
T = Trivial (of no discernible literary or scientific merit)
I = Irrelevant to the needs and interests of the library’s community
E = Elsewhere (the material is easily obtainable from another library)

Further detail for weeding is contained in the Port Townsend School District Libraries Collection Development Procedure.
