Dear Reader,

Welcome to our newsletter! Read more to find out what we have been up to during this winter season so far.

Hope you Enjoy,
Miss Roselli, Mr. Dougherty, and Mrs. Hornback

Pioneer Fudge

This December Pioneer Pantry sold fudge to students and staff. Each class was responsible for a specific flavor. Mr. Dougherty’s class was in charge of Hot Cocoa fudge, Ms. Roselli’s class prepared Peanut Butter fudge, and Mrs. Hornback took care of the White Peppermint fudge. I got to be involved in every step in making and delivering the fudge. I first got to make the fudge from starch following the directions in class. It was really easy to make. After making the fudge I got to cut the fudge into half pound blocks. Once the fudge was cut up we delivered it all over the school even the Administration Building. Pioneer Pantry is one of my favorite things to do. I cannot wait until are next Pioneer Pantry.

Upcoming Events

February 9
Mantua Target Trip

February 11
ShopRite Bakery Trip

February 12 - February 15
Presidents’ Day Holiday
No School

Every Wednesday
Deptford Honda CBI Trips

**Activities and trips vary depending on class**

February Birthdays
Ryan P. – 4th
Sydnee P. – 27th
Mrs. Hornback – 27th
Christmas Bonus

On Tuesday December 22th our bosses, Nick Morgan and Donna Coryell, from DHY came into school and surprised us with a Holiday Bonus. Every student that worked at DHY this got a gift. The first thing we got was an Under Amour zip up jacket with DHY Motorsports printed on the back. The jacket is not for sale it is only for employees that work at Honda. Along with the jacket we received a $50 Target gift card. We got to buy whatever we wanted with the gift card. Some students already spent the gift card and got DVD’s, Video Games, and books. Working hard at Honda all year paid off big time. I am excited to wear my jacket and go back to work with it. I am excited to one day get a job just like Honda. It is a very fun, friendly place to work.

Star Wars

After thirty years of waiting the new Star Wars finally released on December 18th 2015. The Force Awakens opened to long lines but that did not stop many Clearview students from seeing the movie. Here is what some people had to say about the movie.

“Star Wars was a great movie” Ryan Pendzik who saw it on Christmas Eve with two other Clearview students Tyler Luongo and Brandon Morris

“Star Wars was Phenominal! Without giving it away I was very surprised what happened” Jake Kinkade

“Seemed different from the other Star Wars” Albertine Boroughs

“Was my favorite Star Wars movie yet” Sydnee Patterson

Written by Ryan Pendzik
Urban Promise

Our Class was asked to help out Mrs. Satterfield’s class with their holiday event at the Urban Promise in Camden, NJ. Clearview students donated holiday gifts in stockings for the students in Kindergarten through Fourth grade. The students in Mr. Dougherty’s class collected, organized, boxed up the stockings, and prepared them to be given out. We also doubled and tripled checked to make sure every child received a stocking. We all enjoyed helping and being a part of such a good cause.

Winter Season at Bast Brothers

Right before the Holiday Break Mr. Dougherty’s class went to visit Bast Brothers Garden Center. At Bast Brothers we went right to work from the time we got off the bus. We first toured the center to learn about the different plants that the center sells during the Holiday Season. They had two different kinds of Christmas Trees that they sold the Fraser Fir and Blue Spruce. We then made Holiday Wreaths and Grave Blankets out of greens. Jobs when it comes to making a wreath. We got to try all the different stations. One person got to cut the greens down to size. Another person pitched the greens into a metal holder that would help the greens give its circular shape with a special machine. After that the wreath was off to the decorating station where it got a bow and other holiday decorations. We are going back to Bast Brothers once the weather breaks to help get ready for the spring season.

Buddy Dance

On January 27, we held our first Buddy Dance! It was so much fun! The room was decorated with snowflakes and lights. We had a DJ for dancing, two Wii stations set up with Just Dance and Wii Bowling, a photo booth and delicious snacks! We spent the night dancing with our friends. We hope to do it again soon!

Quotes about the Dance:

“It was a boogie night!” – Mikey C.
“I had fun playing Just Dance!” – Morgan B.
“I had fun dancing!” – Jordan E.
The Frozen Princess

On Friday, January 29th, we went on a class trip to Pitman Theater to see "The Frozen Princess". We really enjoyed it! The actors did a great job! Some of us sang along with the songs. After the play, we got to talk to actors about what they have to do to prepare for a show. They talked to us about memorizing the lines and everything that goes into a production. After talking to the actors, we went to Chik-Fil-A for lunch. What a delicious way to end a field trip!

Quotes about the Frozen Princess:

"Best day of my life!" – Holly M.

"I liked it!" – Megan S.

"There were some interesting differences between the play and the movie." – Chris T.
