

A Message from the LCPCS Governing Board....

Aloha LCPCS Ohana.

The recruitment of a School Director for LCPCS has launched and the application window will be open until February 19. The Recruitment Packet is posted on the LCPCS website, Facebook page, and at the school. Check it out and pass it on!

The Board has hired a consultant to advise and assist us throughout this process. In addition, a Search Committee composed of parents, staff, community and Board members has been formed to assist the Board in reviewing applications and recommending finalists to the Board.

Finalists will undergo a rigorous application process requiring written responses to situational questions, interviews, face-to-face sessions with parents and community members as well as reference checks. The Board is committed to finding an outstanding and committed School Director to lead our school to excellence!

We'll keep you updated as we move through the process. Please direct your questions to Kelly Campbell at kelly.campbell@lcpcs.org or call 962-2200 to leave a message.
